8-10 MAIN STREET, BO'NESS**

I am writing to acknowledge receipt of your Council's e-mail received today enclosing copies of correspondence submitted in the post under cover of your letter dated 26 November 2018, which never arrived in the Division, relating to the above development, notified to the Scottish Ministers in accordance with category 2 to the Schedule of the above Direction. If you intend submitting further notifications by post in the future please note that our address is now 2-F (South) Victoria Quay. However it would be easier for all concerned if future notifications were sent to planning.decisions@gov.scot

The period within which the Scottish Ministers may require your authority to refer the application to them for decision is 28 days from 7 January 2019, provided that the period may be extended before it expires if necessary to allow the Scottish Ministers to complete their consideration of the proposal.

Yours sincerely
