

## SHARING RESPONSES/FUTURE ENGAGEMENT

4. We will share your response internally with other Scottish Executive policy teams who may be addressing the issues you discuss. They may wish to contact you again in the future, but we require your permission to do so. Are you content for the Scottish Executive to contact you again in the future in relation to this consultation response?

Yes

## CONSULTATION QUESTIONS

1. Do you agree that local authorities should be under a duty to ensure that food and drinks which they provide in their schools, including nurseries, meet defined nutrient standards?

Yes

Comment (add separately if required)

2. Where children are attending independent schools, and where the provision of food and drinks are arrangement or funded, by a local authority, should the food and drinks meet defined nutrient standards?

Yes

Comment (add separately if required)

3. Should local authorities be under a duty to promote uptake of school meals in their schools, including free school meals?

Yes

Comment (add separately if required)

4. Should local authorities be under a duty to ensure that those taking free school meals can do so anonymously, as far as is practicable?

Yes

Comment (add separately if required)

5. Should local authorities have the power to provide children in local authority schools with free drinks, fruit, vegetables, bread or cereal bases snacks, which meet defined nutrient standards?

Yes

Comment (add separately if required)

6. Should there be a duty on Scottish Ministers and local authorities to endeavour to ensure that all local authority schools are health promoting schools?

Yes

Comment (add separately if required)

7. Any other comments? (add separately if required)

A very positive document which should start to address the health issues of the Scottish population at an early stage.
