

CONSULTATION QUESTIONS

1. Do you agree that local authorities should be under a duty to ensure that food and drinks which they provide in their schools, including nurseries, meet defined nutrient standards?

Yes No

Comment (add separately if required) *duty of care to all children*

2. Where children are attending independent schools, and where the provision of food and drinks are arranged or funded, by a local authority, should the food and drinks meet defined nutrient standards?

Yes No

Comment (add separately if required) *same as above*

3. Should local authorities be under a duty to promote uptake of school meals in their schools, including free school meals?

Yes No

Comment (add separately if required) *Good practice also as a model to other private sectors*

4. Should local authorities be under a duty to ensure that those taking free school meals can do so anonymously, as far as is practicable?

Yes No

Comment (add separately if required) *It will eliminate discrimination which attached stigma to pupil & thus affect self-esteem of young people*

5. Should local authorities have the power to provide children in local authority schools with free drinks, fruit, vegetables, bread or cereal based snacks, which meet defined nutrient standards?

Yes No

Comment (add separately if required) *It may be the only time ^{some} children are able to get the right source of nutrients.*

6. Should there be a duty on Scottish Ministers and local authorities to endeavour to ensure that all local authority schools are health promoting schools?

Yes No

Comment (add separately if required)

7. Any other comments? (add separately if required)

I BELIEVE THAT ALL CHILDREN SHOULD BE ENTITLED TO FREE SCHOOL MEAL WITH GOOD QUALITY. IT WILL HELP IN THEIR MENTAL AND PHYSICAL DEVELOPMENT. MANY CHILDREN WOULD EAT WELL WHEN THEY SEE THEIR FRIENDS DOING THE SAME.
