Mr John Glen
Scottish Executive Health Department
Tobacco Control Division
3 E (R)
St Andrew's House
Regent Road, Edinburgh EH1 3DG

Dear Mr Glen

**Consolidation on Smoking Prevention Working Group Report:
Towards a Future without Tobacco**

I write in response to the Scottish Executive Health Department letter dated 7 December 2006. I have consulted widely with Heriot-Watt University for views on the above report and the feedback that I have received is very much in support of all the proposals in the report.

Yours sincerely

Secretary of the University

Peter L Wilson BSc MA FIMgt FCIPD FRSA
