Dear Mr Thompson,

DRAFT GLASGOW COMMONWEALTH GAMES BILL

As Stirling Council we fully support the Glasgow Commonwealth Games Bid and commit to ensuring we enforce the legislation and guidelines put in place to ensure the games operate in a fair and secure environment. This is an excellent opportunity for Scottish athletes to compete on home soil in front of Scottish people and leave a legacy for local, regional and national sport. We also support the need to ensure that legislation is in place to support the delivery of the Games and to protect them from ambush marketing.

Yours sincerely
