Please find below the observations on behalf of the Chief Officer regarding this Bill.

1. There are no significant implications for Strathclyde Fire and Rescue in any area other than Transport, at paragraph 18/19.
2. Regarding (1. above) then, any regulation, prohibition or closure should be made, considering the requirements of access for Emergency Service Vehicles.
3. Traffic measures are the subject of further consultation with Emergency Services, to ensure optimum pre planning of routes, to achieve the most effective operational response.

In terms of Appendix A. in the document, then these comments are on behalf of Strathclyde Fire and Rescue with the response open to the public. Further contact as required can be made with myself at the location above.
