Dear David,

Thank you for your letter dated 02 July 2007 regarding Scotland's bid to host the 2014 Commonwealth Games. ScottishPower wish to express full support to the Scotland bid.

In response to the Draft Bill received ScottishPower wish to comment as follows.

ScottishPower as a company are required to maintain supplies to our network on a 24/7 basis and require to gain access to our plant and equipment as and when required under fault conditions. It should be noted that under fault conditions excavation work may be required. ScottishPower therefore reserve the right to access our offices and critical sites which potentially could be affected by the Commonwealth Games.

If you require any further information or advice on the above matter then please do not hesitate to contact me at the under noted location.
