Dear Sir

## **DRAFT GLASGOW COMMONWEALTH GAMES BILL**

I refer to your letter of 2 July 2007, regarding the above, and advise that I have caused the document to be reviewed with the following comment.

While a 'Games Event' is described in Section 1, consideration requires to be given to clarifying what 'Vicinity of a Games Event' would be classed as. If it is left open to interpretation, subjectivity will impact on consistency'.

Other than this, the only other suggestion is that consideration be given to the potential to trade/advertise at other significant sporting events such as senior football matches, and whether this needs specific consideration and mention.
