

Dear Mr Thompson

I have been asked to reply to your letter to Fiona Lees, Chief Executive requesting comments on the draft Glasgow Commonwealth Games Bill.

The document was circulated to the Councils Trading Standards, Planning and Roads services for consideration, however in each case, while noting the contents of the draft bill with interest; my colleagues had no comments to make on the document as it was considered that there would be little impact on East Ayrshire from the bill.

Yours sincerely

John Griffiths
