### Healthcare Questionnaire

- Q.1 keep the independent scrutiny.
- Q.2 Have open days and encourage local groups. Have a questionnaire in local Hospitals, and have a consultation in the form of a specialized clinic, or a form With discharged outpatients.
- Q.3 Consultation through the local community. local groups but only if they represent the ordinary public.
- Q.4 No.
- Q.5 Yes take on the responsibility of involving local groups, enabling two way communication for development.
- Q.6 Patient participation with support from Scottish Health Council.
- Q.7 Have not heard of Community Planning Partnerships. Make sure these groups Are better publicised on the understanding of these groups, if you want to Improve.
- Q.8 Publicity, Communication, Information and Consultation.
- Q.9 Candidates should be resident in their own area. We feel we are not in favour of Elected Candidates. The money spent o this procedure could be better spent on Patient care.

We have answered as many of the questions as we can. but as a lot of our Members are older people they felt a lot of the questions were a bit difficult to Understand. I hope you will find this satisfactory.
