**CONSULTATION ON PROPOSED MARINE RESERVE IN LAMLASH BAY:**

Question 1: Do you *agree* or *disagree* with the proposal to establish a Marine Reserve in Lamlash Bay?

...yes.....  
.....

Question 2: Do you think there would be any a) *positive* and b) *negative* implications should a Marine Reserve be established in Lamlash Bay?

.....  
.....  
.....  
.....

Question 3: Are there any *other points* which you would like to make in relation to the proposed Lamlash Bay Marine Reserve?

The proposed arrangements for Lamlash Bay should very much be viewed as the minimum for the Bay, it would seem to be a more robust proposal for all, including the fishermen if the Marine Protected part of the Bay becomes a permanent 'no mobile gear' fishery. If this were to be the case the speed of recovery of the marine life would be greatly increased and we could see a return of The Arran Sea Angling Association Festival Lamlash within 10 years.
