

Question 1 I agree with the proposal to establish a Marine Reserve in Lamlash Bay.

Question 2 I think there would be a number of positive implications should the reserve be established in Lamlash Bay.

Question 3 Coming from a medical background I think that, with the opening of the new Youth Sports Centre in Lamlash Bay towards Hamilton rock,
the proposed site of the large new fish farm also in the locality of Hamilton rock is entirely unsuitable.

There is already a sewage outflow in the vicinity.
