*Lamlash Bay Consultation*

*Dear Mr Brown,*

*Sandbank Community Council would like to register our support of the proposal to set up a Marine Reserve in Lamlash Bay.*

*We think that it would contribute towards conservation and study of marine life.*

*There are many projects up and running to protect Scotland's wonderful and varied Scenery, plant life and animal life. Our marine life needs protection too. Therefore we support this proposal.*

*We hope that the Scottish Government lend it their full support and come up with the necessary funding.*

*Yours sincerely,*

A handwritten signature in black ink that reads 'Norma Murray'. The signature is written in a cursive style.
