PROPOSAL 1

National Qualifications at Access, Higher and Advanced Higher will be retained as points of stability. Highers, in particular, will remain the 'gold standard' of the Scottish education system. The content of all National Qualifications will be updated to reflect the values, purposes and principles of *Curriculum for Excellence*. Some aspects of the structure of these qualifications will also be reviewed.

Q1. Do you welcome the intention to update all qualifications at Access, Higher and Advanced Higher in line with *Curriculum for Excellence*? Please comment on any implications to be considered.

BUT THE IMPLICATIONS WILL BE ENORMOUS.

PROPOSAL 2

A new qualification will replace the present Standard Grade General and Credit levels and Intermediate 1 and 2 (SCQF 4 and SCQF 5) qualifications. The new qualification will be available in a wide range of subjects, as at present. The new qualification will reflect the best features of Standard Grade and Intermediate. Standard Grade Foundation level will be removed and Access 3 will provide certification at SCQF level 3. (See Annex A Table 1 for illustration of new qualifications on SCQF framework.)

Q2. Early consultation has identified the 'best' features of Standard Grade and Intermediate qualifications as:

- the 'inclusive' approach to certification contained in Standard Grade; and
- the 'unit based' structure of Intermediate qualifications.

Are there any other features in the present Standard Grade and Intermediate qualifications which should be included in the new qualification at SCQF levels 4 and 5?

Explanation/other suggestion

PROPOSAL 3

New awards in literacy and in numeracy will be available at SCQF levels 3 to 5.

Curriculum for Excellence brings a sustained focus on developing literacy and numeracy skills in our young people. To help strengthen this focus, the Scottish Government is proposing new separate awards to accredit young people's literacy and numeracy skills – the Scottish Certificate for Literacy and the Scottish Certificate for Numeracy. The awards will be available at SCQF levels 3 to 5. The expectation is that all young people will be presented for these awards unless there are exceptional reasons for not doing so. The intention is also to ensure that the structure of these awards is flexible enough to make them available to adult learners.

Q7. Do you agree with the proposal to offer literacy and numeracy awards at a range of SCQF levels (3 to 5)? If not please offer an alternative.

YES

NO

Explanation/other suggestion

Q8. National Qualifications at Access 3 (SCQF level 3) do not have an external examination. Do you agree that any new awards in literacy and numeracy at SCQF level 3 should have an external examination?

Q9. Should the weighting between the internal and external assessments for the literacy and numeracy awards be equal? If not should more weight be attached to the internal or external assessment? Please explain.

- Equal weight
- More weight to internal assessment
- More weight to external assessment

Explanation

60/40 SPLIT

- Option B** In the December of S4 as part of a winter diet of examinations.

TIMELINE

Q16. It is intended that planning for the new curriculum should commence in 2008/09, with approaches based on the new curriculum introduced from school year 2009/10. This suggests that the new and revised qualifications and any increased flexibilities would be required from 2012/13 onwards to ensure smooth progression between the curriculum and qualifications. Is this indicative timeline realistic? Please comment on any implications to be considered.
