

## Consultation Questions

### PROPOSAL 1

**National Qualifications at Access, Higher and Advanced Higher will be retained as points of stability.**

Highers, in particular, will remain the 'gold standard' of the Scottish education system. Some aspects of the structure of these qualifications will also be reviewed.

#### Question 1

Do you welcome the intention to update all qualifications at Access, Higher and Advanced Higher in line with *Curriculum for Excellence*? Please comment on any implications to be considered.

No

Comment:

- Reiteration as to amount of detail and lack of consultation.
- Unsure about compulsory common course and how this would work in practical terms.

### PROPOSAL 2

**A new qualification will replace the present Standard Grade General and Credit levels and Intermediate 1 and 2 (SCQF 4 and SCQF 5) qualifications.** The new qualification will be available in a wide range of subjects, as at present. (See Annex A Table 1 for illustration of new qualifications on SCQF framework).

#### Question 2

Early consultation has identified the 'best' features of Standard Grade and Intermediate qualifications as:

- The 'inclusive' approach to certification contained in Standard Grade; and
- The 'unit based' structure of Intermediate qualifications

Are there **any other** features in the present Standard Grade and Intermediate qualifications which should be included in the new qualification at SCQF levels 4 and 5?

The awards will be available at SCQF levels 3 to 5. The expectation is that all young people will be presented for these awards unless there are exceptional reasons for not doing so. The intention is also to ensure that the structure of these awards is flexible enough to make them available to adult learners.

**TIMELINE**

**Question 16**

It is intended that planning for the new curriculum should commence in 2008/09, with approaches based on the new curriculum introduced from school year 2009/10. This suggests that the new and revised qualifications and any increased flexibilities would be required from 2012/13 onwards to ensure smooth progression between the curriculum and qualifications. Is this indicative timeline realistic? Please comment on any implications to be considered.

No

Comment:

Not realistic, we need to see model of how changes are going to work in practical terms.
