## How to use this leaflet:

This leaflet gives details of agencies in your area that give free, independent, impartial, confidential money advice.

You will find addresses, phone numbers and e-mail and website addresses where they are available.

There are also details of the sheriff court and council areas covered by the agency. Some agencies provide advice in more than one sheriff court area - if this is the case they will be listed in full.

If an agency has disabled access or can provide court representation this will be indicated by the symbols displayed below. Individual agencies may have other outlying offices - phone the main agency number to find out about availability.
