Dear Ms Davidson

**The Smoking, Health and Social Care (Scotland) Act 2005
(Prohibition of Smoking in Certain Premises) Regulations 2005: Draft**

I refer to your letter on 10 March 2005 inviting comments in respect of the proposed Regulations. The questions posed in Annex B would appear to be a simple "tidying up" exercise. The previous comments made during the consultation process by South Ayrshire Council have been taken into account in the proposals and we have therefore no further comments to make.

Thank you however for the opportunity to comment on this matter.

Yours sincerely
