

Patient Status

The patient is subject to:

- a compulsory treatment order
- a compulsion order
- an interim compulsory treatment order

Section 113 Details

I confirm that the patient was detained in hospital for 72 hours under section 113 of the Act for failing to comply with any measure(s) authorised by a compulsory treatment order / interim compulsory treatment order / compulsion order on:

Date / /
dd / mm / yyyy

Time :
24 hr clock

and was examined under section 113(6) of the Act.

Reasons for Detention

Patient subject to Compulsory Treatment Order / Compulsion Order

I wish to detain the patient under section 114 of the Act because

- I am considering varying the compulsory measures specified in the patient's order, or
- I am making an application to the Tribunal to vary the patient's order

Patient subject to Interim Compulsory Treatment Order

- I wish to detain the patient under section 115 of the Act as the interim compulsory treatment order will not have expired before the end of the 72-hour period where the patient is detained under section 113

All patients

I consider, for the reasons stated below, that if the patient does not continue to be detained in hospital it is reasonably likely that there will be a significant deterioration in the patient's mental health.
