

Dear Sirs,

You will find attached the completed Respondent Information Form for the Ness District Salmon Fishery Board. The Board welcomes this consultation document and in particular the many issues that are addressed in Section 4. Having studied the document in detail - and having also studied the response provided to you by our representative body - the Association of Salmon Fishery Boards (ASFB) - we believe that we can do no more than to fully endorse the comprehensive submission that the ASFB has already made.

We look forward to the outcome from the consultation and to working with the various government departments and other representative bodies to take the issues that are brought out in the consultation forward in a positive and constructive manner.

Yours sincerely,

J. Michael Martin  
CEO/Clerk  
NDSFB
