

Question 1

Do the
easy read
report reflect
and opinions
services for
learning

(Please tick

things in the
consultation
your views
about
people with
disabilities?

your answer)

Yes

Employment – need more jobs for people to do

Not able to get jobs because they have a Id.

Want decent pay to make it worthwhile to work

Education- not enough places for people with a Id.

Didn't get enough help at school . all "Hated" School.

Like joint schools so all children have same opportunities.

Day Placements- not enough due to cut backs.

Housing- more support needed in social housing, more supported accomodation. Not enough adapted housing for wheelchair users.

Local Area Coordination- not really heard of it.

Care Standards/ Inspections- need to make an appt to talk to them would like to see them more. Never knew that there were care standards.

Transport- wheelchairs cant go on service buses. Drivers don't wait for them to sit down. Pavements not lowered .

Bus passes some people didn't know about the carers bus pass.

Relationships

Difficulties in finding and maintaning friendships.

Stuck in house – no clubs that they were aware of. Some clubs were mentioned but were not advertised well.

Health: Still not easy,access still difficult for some GP Surgeries.
FVRH signs difficult to understand. Cant read info on signs need symbols.

Safety Scared to go out at night , bullying called names.

Question 2

You can put any comments about this question here.

What do you think has worked well over the last 10 years for people with learning disabilities and family carers?

This could be changes in your local community or all over Scotland.

Extra Help from community nurses and social workers getting us somewhere to live and do during the day. Living in my flat.

Question 3

Please write your answer here.

Shorter waiting lists

Easy Letters

More Specialist LD nurses

Training for general nurses

More doctors

More time for appointments

Better signs and clear easy read information.

Question 7

What do you think needs to be done to improve access to better education and learning for people with learning disabilities?

Please write your answer here.

More Special needs teachers.

Half agree that special schools should be brought back other half liked the new system.

More day centres and things to do during the day.

More people to help with reading and writing skills.

Question 8

What do you think needs to be done to help people with learning disabilities live more independent lives?

Please put your answers here.

Paid carers should be aware of what is available in the community. Transport is not easy.
Given more choice in their lives. "some carers treat us like weans".

People talk to the carer and not the person with a ld.
Having your own house with good support.

Question 9

What do you think needs to be done to help people with learning disabilities get jobs?

Please write your answer here

Easy read info at job centers

Support from families to allow them to go to work.

Big companies like Tesco should take on people with a Id.

Decent jobs with a decent wage.

Respect and more time for training and support in the workplace.
