

CONSULTATION QUESTIONS

Q1. Do you agree with the recommended list of Priority Marine Features as the basis for targeting future marine conservation action in Scotland's seas?

If your response includes a suggestion to amend the list, please indicate the specific species and habitats that your comments apply to and, where possible, provide or reference any evidence or data sources which have influenced your comments.

Yes No

Comments

General

Q2. Are there other issues that have not been highlighted in this consultation that you would like to mention?

Yes No

The advice to review and monitor on 6 yearly cycles is important to the value of measures and proposals to ensure they continue to contribute towards the wider network.
