

CONSULTATION QUESTIONS

Q1. Do you agree with the recommended list of Priority Marine Features as the basis for targeting future marine conservation action in Scotland's seas?

If your response includes a suggestion to amend the list, please indicate the specific species and habitats that your comments apply to and, where possible, provide or reference any evidence or data sources which have influenced your comments.

Yes No

Scottish Water is content to accept the list of Priority Marine Features as recommended on the basis of scientific evidence.

General

Q2. Are there other issues that have not been highlighted in this consultation that you would like to mention?

Yes No

We would wish to draw attention to our responses to other consultations under the overarching title of Planning Scotland's Seas, including and in particular **2013 Possible Nature Conservation Marine Protected Areas Consultation Overview** and **Sustainability Appraisal**.
