Subject: Seal Haul-out Sites

Andrew, hi. My name is Jan Ziolo and I am an expat Scot who has resettled in Cornwall with my family. I am a volunteer Marine Mammal Medic with British Divers Marine Life Rescue. This is a charity devoted to the care of marine mammals in distress around the coast of the United Kingdom. The charity has requested that any members clearly highlight seal haul-out areas to you in light of incoming legislation in this area. Therefore I am highlighting the 2 following haul-out areas that I have personal experience with:

1. Rhu Marina, Gareloch, Argyll and Bute
2. Sgeir Dhon, Kerrera, off Oban.

Like many other volunteers within BDMLR I am encouraged that areas such as these are highlighted but alarmed at the possible fate of seals outside of them.

Best regards

Jan Ziolo
