Dear Sir,

Please find attached a list of seal haul outs local to my area. It is essential that these areas are protected, the seal population in this area is fragile and has in the past suffered due to shootings, nets etc. At present the populations are re-establishing which is excellent for local wildlife operating boats and tourism in the area. As we know Richard Lockhead described seals as Scotlands "iconic species" that is correct and they need protection.

yours faithfully,

Jean Ainsley
