Smoking in cars carrying children aged under 18

21. Do you agree that it should be an offence for an adult to smoke in a vehicle carrying someone under the age of 18?

Yes X No ☐

22. Do you agree that the offence should only apply to adults aged 18 and over?

Yes ☐ No X

23. If you answered 'no' to Question 22, to whom should the offence apply?

All drivers. It would be illogical to create offences of smoking in private vehicles with children present, but not to apply them to any smoker regardless of age. It is also reasonable to make all drivers, regardless of age or of whether they hold a full or provisional license, responsible for ensuring that smoking does not occur in vehicles with children present. All drivers already have a range of legal responsibilities as a consequence of being in charge of their vehicles.

24. Do you agree that Police Scotland should enforce this measure?

Yes X No ☐

25. If you answered 'no' to Question 24, who should be responsible for enforcing this measure?

31. If you support national legislation, what exemptions, if any, should apply (for example, grounds of mental health facilities and / or facilities where there are long-stay patients)?

In general, no. Any new legislation should be in line with exiting Scottish Guidance: Smokefree Mental Health Services in Scotland – Implementation Guidance 2011.

32. If you support national legislation, who should enforce it?

It should be a staff responsibility.

33. If you support national legislation, what should the penalty be for non-compliance?

Non- compliance with the policy by staff should be subject to disciplinary procedures in the same way as non-compliance with other workplace

policies.

34. If you do not support national legislation, what non-legislative measures could be taken to support enforcement of, and compliance with, the existing smoke-free grounds policies?
