Policy has been developed on revised guardianship model , new enhanced risk assessment process for supervision of guardians and working definition of deprivation of liberty.	Amber
Work progressed on clarifying the law around power of attorney and developing guidance.	Green

<b>Key Deliverables in next 6 months (include estimated date for each deliverable)</b>	RAG
Develop guidance on power of attorney and introduction of templates- Dec 2019.	Green
Develop guidance on improved risk assessment of supervision of guardians-Dec 2019.	Green

<b>What does success look like?</b>
At the same time as the Mental Health review takes place we will complete the work we have started on clarifying the law around power of attorney and developing guidance. In addition we will progress the work we have started around improvements in supervision for guardians. In the longer term post 6 months we will be working on developing training for professionals across health, social care and the law on improvements to practice that do not require a change in the law.

**What data (if any) can evidence delivery?**
