Dear Sir or Madam,

Please find the 2017 questionnaire for the Annual Business Survey (ABS) attached. If actual figures are not available, please provide informed estimates. Once complete, the questionnaire can be returned by post or fax using the details in the box below.

The ABS, produced by the Office for National Statistics (ONS), is the key resource for understanding the detailed structure, conduct and performance of businesses across the UK. The information you supply contributes to the National Accounts, which measure the state of the UK economy and are used by government to determine economic policy. The data also influences decisions on company and personal taxation and on interest rates. They affect our contributions to and from the European Union and our regional policies.

We guarantee that while your employment is less than 10, you will receive no more than 1 questionnaire for this ONS business survey. You must complete and return this questionnaire on time, after which you will be excluded from all business surveys for at least 3 years. The Annual Survey of Hours and Earnings is not covered by this guarantee.

You are required by law to complete this questionnaire. If you do not complete and return this questionnaire, penalties may be incurred (under section 4 of the Statistics of Trade Act 1947). All the information you provide is kept strictly confidential. It is illegal for us to reveal your data or identify your business to unauthorised persons.

Thank you for your co-operation, Office for National Statistics

Introduction to the Annual Business Survey (ABS)

Purpose of this survey

The Annual Business Survey (ABS) samples UK businesses and other related establishments according to their employment size and industry sector. The statistics produced help to improve the overall quality of National Accounts and the measurement of Gross Domestic Product (GDP).

In addition to the National Accounts, the ABS is also the main source of data to enable the requirements of the European Structural Business Statistics Regulation (SBS) to be met and the financial information is also used by the Scottish Government and Welsh Government in the compilation of both regional country specific Input/Output tables and Indices of Production.

What your Annual Business Survey questionnaire should cover

This survey asks for information on business activity in England, Scotland and Wales but excludes Northern Ireland, the Channel Islands and Isle of Man.
