As per my telecon with the Scottish Exec. Office this morning, and due to personal circumstances, thank you for allowing this reply to be sent after the closing date of 07 June. As you will see it is on behalf of a group, my own personal reply will follow. Once again many thanks.

Clare McAndrew.

**NAME:** Our Lady of the Missions (OLM) Parent Staff Association (PSA)  
**ADDRESS:** Robslee Road, Thornliebank, East Renfrewshire, G46 7DD

*I am responding on behalf of the above group. We are content for our response to be made available to the public (in the SE library and/or on SE web site). We are content for the SE to contact us again the future in relation to this consultation response, and for our response to be shared internally with other SE policy teams.*

A general response was given, committee members did not go through each question set out in the questionnaire, this was left for parents to do so on an individual basis.

**RESPONSE:** As a committee it was felt by members that current involvement in the school is suffice.

Committee parents felt that there was plenty of scope and opportunities for them to get more, or less, involved in the school should they choose to do so.

As a PSA committee, parents wanted to remain a fund raising body. They did not wish to become the Parent Forum or handle any school decisions currently undertaken by the school board. (OLM School Board does not fund raise).

PSA Committee parents made it clear that they had the choice to join the school board if they so wished, however, it was their decision not to do so.

PSA Committee members were encouraged to respond to the proposals on an individual basis.

*Chairperson for and on behalf of OLM PSA*
