Do you support the development of an MPA network in Scotland's Seas with 3 MPAs in the Clyde? Yes No

The following questions are for the *South Arran* possible Nature Conservation MPA

What do you think about the location and size of the proposed South Arran MPA?

Comments

I am unaware of the location or size of the proposed MPA.

What should the management measures be for the proposed South Arran MPA?

Comments

I think that strict quotas and prohibition of dredging would be enough.

What social and economic effects do you think the South Arran MPA will have?

Comments

This will be a problem for local fishermen but not for bigger organizations.

Any other comments

I think that the proposed MPAs are not in the public's best interest and their risks (structure / impact) have been poorly explained.
