DAY TWO - Monday 25th November - Government

0930 – 1015 Ministerial meeting: Mr Harald Nesvik, Minister of Fisheries and Seafood with Cabinet Secretary Fergus Ewing MSP, also in attendance – British Ambassador, Norway – Mr Richard Wood. (SG party attendees)

Draft Agenda

- The Temporary Suspension of ISA free certification (Ova exports from Norway).
- Potential ban on thermal de-licing technology in Norway’.
- Signing of declaration against transnational organised crime in the global fishing industry.
- North sea fishing stocks.

1015-11:30 Meeting with Ministerial Staff in the Ministry of Trade, Industry and Fisheries

12:00 – minibus from Ministry to the HQ of the Norwegian Food Safety Authority (Ullevålsveien 76) where lunch will be provided.

13:00 – 1500 Meeting with the Norwegian Food Safety Authority (and possibly Norwegian Veterinary Institute our fish Health reference lab)

Topics for discussion

- Exploring the Norwegian consenting regime to consider any potential for application in Scotland.
- The role of discharge controls in the context of wider consenting including the auction system and ‘traffic light’ regime.
- Evaluating current Norwegian Government policy and advice governing the fish farming sector, reviewing their plans for future regulatory changes.

As well as these agenda items, we're keen to explore strategies on how Norway manages environmental/ community body policy e.g. groups that take issue with impacts of chemicals/ medicines (from aquaculture) on the environment and interactions between farmed and wild salmon.

15:00 – Depart for Airport

Oslo to Bergen Flight
